

**AME Association (Atlantic) Inc
PO Box 94, Enfield, NS B2T 1C4**

Dear Valued Member,

Happy New Year. I trust this new year will find you healthy and that our industry and profession will revive to pre-pandemic levels.

Thank you, from your Board of Directors for your continued support of the AME Association (Atlantic) and from all the members of Aircraft Maintenance Engineers of Canada / Techniciens d'Entretien d'Aéronefs du Canada (AMEC/TEAC) for your support of our national Association.

Through and with your support, the AME Association in Canada through AMEC/TEAC lobbied Transport Canada to re-evaluate the recency requirements of CAR 566.05 for AMEs and give you more time to get back to work and maintain your license privileges.

It is time again to renew your AME Association (Atlantic) membership. I hope you see value in this membership, with the associations working for the regulatory benefits of the AME.

Your membership includes; membership in (AMEC/TEAC), subscriptions to: "WINGS", "HELICOPTERS", "AME", "HELICOPTER MAINTENANCE", "DOM" magazines and a 10% discount card to use at any Mark' Work Warehouse in Canada, all valued at over \$170. Training courses are presented as demand dictates and you will enjoy reduced fees for these events. The AME Association (Atlantic), in partnership with AMEC/TEAC aim to be your voice and support to our Industry.

The ARAMC for 2022 is scheduled to take place in Halifax from April 20th to April 22nd, is in the planning phase with the committee working hard to bring you an in-person event. The committee will be providing more information as they move closer to the ARAMC. I hope to see you at the conference.

Thank you,

A handwritten signature in black ink, appearing to read "Bob Pardy". The signature is stylized and fluid.
