RE: 5 Minutes of Fame

We'll once again be featuring our popular **5 Minutes of Fame** segment, where we set aside time between Technical Sessions, to allow companies promote a product or service before an audience.

The rules are as follows:

- Presentations are not to exceed 5 minutes
- There will be no time for questions
- PowerPoint will be available
- Presenters will be encouraged to invite audience to their booth after this event

Spaces are limited, so please book your spot ASAP.

Sincerely,
